BASE (Bielefeld Academic Search Engine) (Bielefend University Library)
http://www.base-search.net/ 8 languages. (Very large database)

Biblical Bibliography of Lausanne (BiBIL) (University of Lausanne)

Biblindex http://www.bibliindex.mom.fr/ (User must register.) “A corpus of about 400,000 biblical references is available on this site.” “Data from the published volumes of Biblia Patristica, Index des citations et allusions bibliques dans la littérature patristique, Editions du CNRS” Identifies “… biblical quotations in all Jewish and Christian literature of Late Antiquity and the Middle Ages.” [Besides Church Fathers, includes Late Antiquity through the Middle Ages]

Bibliography on Christianity in Palestine / Eretz Israel (Center for the Study of Christianity of the Hebrew University of Jerusalem)

Bibliothèque St Étienne de Jérusalem - École Biblique et Archéologique Française
http://biblio.ebaf.info/ Languages available: English and French. A chart (in French) of subjects covered:
http://www.ebaf.edu/?page_id=1107&lang=en Tyndale House states: “The Ecole Biblique … has been cataloguing all the articles printed in journals for decades … and they are free.”

BIBP: Base d’Information Bibliographique en Patristique
http://www4.bibl.ulaval.ca/bd/bibp/english.html “The Bibliographic Information Base in Patristics is a documentary system highly specialized in patristics … the BIBP touches on all disciplines studying patristic Christianity.” “Presently, the database can be searched only in French. By way of French, all records can be searched. If you want to search from English or other languages, please use the E-mail address rene-michel.roberge@ftsr.ulaval.ca or write to Laboratoire BIBP, Faculté de théologie et de sciences religieuses, Université Laval. Québec. Qc. Canada. G1K 7P4. The BIBP works implicitly on patristic nomenclature.”

Calvinism Resources Database (H. Henry Meeter Center for Calvin Studies)
http://www.calvin.edu/library/database/card/ “ … articles, essays, and lectures produced from the 16th century to the present which deal with John Calvin and 16th century Calvinism.”

Center for Research Libraries http://catalog.crl.edu/search-S1 Languages available: English
Check its Services list for information about using any of its resources. About CRL states: “CRL supports advanced research ... CRL acquires and preserves newspapers, journals, documents, archives, and other resources from a global network of sources... Mostly ... outside the United States including Africa, the Middle East, Southeast Asia, South Asia, and Latin America.”

Christian Reformed Church Periodical Index (Calvin College Seminary)
http://www.calvin.edu/library/database/crcpi/

Digi20 http://digi20.digitale-sammlungen.de/de/fs1/search-simple/static.html Languages available: English & German. “ It concentrates on literature not in public domain, ... in the field of humanities and social sciences with an emphasis on monographs ... up to a defined ‘Moving Wall’ of three to five years to the current year of publication. “

Ephemerides Theologica Lovanienses (ETL): Louvain Journal of Theology and Canon Law http://poj.peeters-leuven.be/content.php?url=journal.php&code=ETL Languages available: English, French & German. “ Issues 1 (April) and 4 (December) contain articles, book reviews and chronicles in various languages (English, French, German). Issue 2-3 (September) represents the annual Elenchus Bibliographicus, an extensive bibliography of books and articles that appeared during the preceding year. Scroll down to see the years available.

Global Digital Library on Ethics http://www.globethics.net/web/ge/library/libraries-home Users must register. Includes “… free electronic access to ... full-text documents on ethics and related disciplines.” (Not limited to Christianity.)

Global Digital Library on Theology and Ecumenism http://www.globethics.net/gtl This “...is a multi-lingual online library [with] ... full-text articles, books, and other resources.”

Google Books http://books.google.com/bkshp?hl=en&tab=wp and Google Books: Spanish Language http://books.google.es/; Google Books: French language http://books.google.fr/ (see also the digitized books offered by the French National Library, www.bnf.fr/fr/acc/x.accueil.html); Google Books: German http://books.google.de/ (See also its competitor, Libreka.de http://www.libreka.de/); Google Books: Russian http://books.google.ru/ (see also one of its many competitors, Lib.ru); you should now be noting the pattern - you can pick a language and search for Google Books: (desired language) and by this time so many others are digitizing books you can make searches for “digital books” and (desired language) or ebooks and (desired language). MASTER LIST OF GOOGLE NATIONAL DOMAINS https://en.wikipedia.org/wiki/List_of_GoogleDomains WARNING: the broad based searches (above) include all types of books and while they may include religious books they do not limit themselves to any type of book.

Google Scholar http://scholar.google.com/ Researchers seeking “seminal articles” should note and click the “Cited By” entry to see a list of all papers or books citing this source. For style manual bibliographic information, click Cite. Click More and Library to locate the book using WorldCat.org. CAUTION, be sure the ZIP CODE used in the final search is the local one where you are. To locate a Local Library which has the book or journal, use WorldCat.org http://worldcat.org or its WorldCat Local http://www.oclc.org/support/services/worldcat-local.en.html (being replaced with WorldCat Discovery) which can be limited (at the bottom of the search pages) to
